### DAY 2 - EXPLORING ISTANBUL

Today we enjoy a city tour of Istanbul, taking in some of the most spectacular sites the ancient city has to offer.

We will see the Hippodrome, once the social center of Constantinople, as Istanbul was once known. Built by the Romans in the 3rd Century AD, only fragments are left of this once grand stadium that held 100,000 spectators for events, chariot races and executions.

We also visit the Blue Mosque - one of the most important temples in the world. Named for the blue Iznik tile work that decorates its interior, the Blue Mosque can be seen from all over the Sultanahmet district.

Lunch today is an opportunity to experience the best examples of the Ottoman cuisine, before continuing to explore Istanbul. We visit the dramatic and beautiful Basilica Cistern, built in the 6th Century as a water reservoir for the city and then explore the famous Old Spice Market, where you can find a vast diversity of spices, sacks of henna and, of course, the world's very best Turkish delight.

This evening, we will dine at a local restaurant where you can experience a good introduction to traditional meyhane culture as your foodie tour guide will accompany you and guide you through this experience. You will taste the famous Turkish alcoholic drink Raki with an explanation on its history and production. The Lion's Milk, as its often called, will be served with a selection of traditional mezze, seasonal fresh fish and a Turkish cheese platter to enjoy.

**Included meals:** Breakfast, Lunch & Dinner

**Accommodation:** Marmara Pera, Istanbul (or similar)

### DAY 3 - IMPERIAL ISTANBUL

We will complete our tour at the Grand Bazaar. First started in 1455 under Mehmet the Conqueror, it was added to many times over the centuries. The end result is an enormous labyrinth of covered streets lined with thousands of shops selling, for example, hand-woven carpets and kilims, gold and silver jewelry, hand-painted ceramics, leather goods, fine antiques and illuminated manuscripts. A great place to practice your bargaining skills!

The rest of the day is at leisure to explore Istanbul at leisure, or perhaps visit a famous Turkish bath!

Over a barbeque lunch prepared by the ladies of the village showcasing local Turkish cuisine, before we continue on to Bodrum for the rest of

the evening.

Bodrum, enjoys a picturesque setting on the Aegean coast. Named Halicarnassus in ancient times, it was the birthplace of Herodotus and the home of one of the seven Wonders of the Ancient World.

We enjoy lunch before heading to the port to board our private gulet and begin our cruise. A traditional sailing vessel from the southwestern coast of Turkey, the gulet boats are built in the coastal towns of Bodrum and Marmaris.

Afterwards, we motor to the ancient once-fortified port of Loryma. Here we disembark at a small dock with a dry landing. Dating back to the 10 century BC, the ancient city of Kaunos was an important seaport. Access is on foot from the jetty, via a rocky but fairly level path going steadily upward. Our visit will take in the remains of the large theatre, Roman baths and temples to various Greek and Roman deities.

Here, hikers will be rewarded for their efforts with a truly lovely view of the local coast before returning to the beach. (Approx. 45 mins' hike each way).
